KaraokeMedia

ABOUT US

KaraokeMedia

KaraokeMedia is the world leader in the manufacture and distribution of karaoke machines, and one of the most important producers of karaoke software and songs for professionals for 32 years.

Our brands

Extensive multilingual library

KaraokeMedia instrumentals are produced with the highest standards of quality and fidelity. Regular updates.

The software automatically updates every week with the newest insights from the music market..

An extensive library of songs in multiple genres and languages, from classics to latest releases. Our catalog has more than 40,000 karaoke songs in high quality and in 14 different languages.

You will have the chance to add up to 100,000 songs in multiple languages (extra-English, Arabic, Indonesian, Hebrew, Indian, Russian, Brazilian, Chinese).

Technical Support and Customer Service

KaraokeMedia stands out for providing excellent customer service and technical support.

An exclusive department available 365 days a year.

A private room for hosting karaoke parties for groups, adapted to the latest trends where your customers will be able to:

- ✓ **Enjoy their private karaoke party.**
- ✓ **Sing and record their favorite songs.**
- ✓ **Get video clips of their performances and share them on social media.**

**Available to rent it

PROFESSIONAL KARAOKE SOLUTIONS

Private Karaoke Rooms
by KaraokeMedia

THE MOST TRENDING!!
SMART KTV ARRIVES IN
EUROPE AND THE USA

THE 6 ADVANTAGES OF PRIVATE KARAOKE ROOMS

1. KTV IS TRENDY

Since its beginnings in Asia, karaoke has experienced exponential growth in the United States and Europe, both at the individual and professional levels. More and more people are looking to have fun singing, and they enjoy it even more in private rooms.

2. EXTENDED TIME SPENT BY CUSTOMERS ON-SITE

By offering an exclusive space, customers will spend more time in the establishment, leading to an increase in sales and profitability.

3. ANTICIPATED BOOKINGS

The option of advance bookings will facilitate the planning and management of rooms and customer flow. Bookings can be made online using the KaraokeMedia Bookings app.

4. PRIVACY

Private rooms allow customers to enjoy a more intimate and personalized karaoke experience, whether with friends, family, or even individually.

5. PRIVATE CELEBRATIONS AND EVENTS

Private karaoke rooms are ideal for celebrating birthdays, bachelor/bachelorette parties, family gatherings, and any other special occasion where privacy is a priority.

6. CATERING, INCREASE YOUR INCOME

Complementing the karaoke service with catering services for private rooms will offer a complete experience, maximizing the profitability of each room.
